

VTTA SCOTTISH GROUP AGE RECORD SECRETARY ANNUAL REPORT [NARRATIVE] ~~~ 2016

[Provisional]

Holiday arrangements and earlier AGM have required early publication of this report [Record claims cut-off date 31/10/2016]

Road Time Trials

This was a sad year losing Derek Stewart so unexpectedly but he still made me smile as I entered his name, again, in our 2016 "Record Table". Tables attached separately.

Currently we have 21 records for ratification, two of which have been submitted for National [VTTA] Records. A Scottish Cycling Veteran Ladies Record is in the process of being claimed for Christine McLean's 30ml performance. There are 4 Ladies records and 17 Men's records for ratification [to date].

The "15" produced another flurry of records [5] but not doubt the number of claims will settle down as our newest distance "matures".

I usually try to pick out what, for me, were outstanding entries "in the book". Always hard.

Davie Millar [70] created a 10 record then broke it. Created a hard to beat figure for 25. Had he not organised the 15 he no doubt would have embarrassed a few at this distance as well :-)

Alex Munro tends to underplay his "efforts" but records at 82 and 83yrs over 10, 15 and 25mls is pretty impressive with the driving up and down the road more arduous than the actual racing I'll bet.

Well done to ABG Washington ~ the SC 100 called off on his home [?] course he re-scheduled for Aberdeenshire to ensure his annual record claim and SVTTA Championship.

Nice to have solo claims for 12hr and 24hr from Derek Macmillan and Angus Swanson. Pity we don't at least have a "12" in Scotland.

And of course we have the late Derek "Dick" Stewart with records at 25 and 30mls.

National Records Claimed:

Phil Jurczyk/George Berwick Tandem at 24hr

Donald McLean/Mark Leadbetter Tandem at 24hr

Scottish Cycling [Vets outright] Record ~ Claim in progress:

Christine McLean 30mls

Track Stuff

Pending any further information from trackies and/or Gordon [Track Secy]!

The attached listings are from my own research of BC [and other] websites. I know Gordon is reviewing what I have come up with and is carrying out further searches/enquiries.

My searches were confined to the usual "showcase" events!

As we stand we have 9 track records for ratification. All the usual suspects [P. H. Robertson excepted.]

Nice to see new name, Kevin Lackie, on the list. All subject to Track Secretary's verification.

Thanks to those who contributed and assisted in compilation of the "2016 Tables" [see below]
